Christmas 1975

Dearest Elders and Sisters,

At this special and important season of the year, we wish to express again our great love for you and for your companions and also our deepest gratitude for the choice blessing we have to associate together with you in this "marvelous work and a wonder" here in France and Switzerland.

Your devotion and friendliness have been inspirational to all, and your example is constantly influencing our lives as well as those around you. As Jesus told his disciples, you are truly the "light of the world".

"Let your light so shine before men that they may see your good works, and glorify your Father which is in Heaven."

This is our prayer for 1976 and always. May you have a happy Christmas season serving the Savior in bringing joy into the lives of others, and so continue throughout the coming year.

With love always,

President and Sister Sager, Eric, Karinne, Steven
