DAYS OF DEVOTION

Dear Elders and Sisters,

In the last five weeks we have been in every missionary district and in every member branch. Our spirits have been lifted by your testimonies and your desire. We rejoice at the powerful outpourings of the Holy Ghost which have taken place. The Holy Ghost is beginning to work with increasing power in our lives and upon the french-speaking peoples.

It is in our day that the Lord's promises concerning these peoples will be fulfilled. President Kimball's prophecies will be fulfilled. Remember,

"You can have what you want. If you choose, you can be small and insignificant. But if you have a desire to be strong, numerous, and growing fast, that is possible."

We are now at a decisive moment. We must choose. If we choose to build a true and beautiful Zion in France and Switzerland, we must be prepared to pay the price. The price the Lord asks is all that we are: all our heart, might, mind and strength. And he asks this of every one of us. He asks for all of every heart, for all of everyone's might, for all of every mind, and all of everyone's strength. We must be united and we must be His.

If we choose, this great work will begin in 1977. Only a few days ago, Elder Monson told us,

"You are on the threshold of the greatest period of growth in the history of this mission."

This is the year when the page of history will be turned. Let us begin this historic year by showing the Lord that we are willing to pay the price. We invite you to join with us in a special period of devotion from January 6th to February 2nd. During this four week period, let us unite in our prayers for this people, let us unite in our faith in the Lord's promises, let us unite in our devotion to the work of the Lord. Let these be Days of Devotion.

Prepare for these Days of Devotion by prayer and by consultation with your companion and your leaders. Let these Days be the start of a united effort to bring each of us to devote all his heart, might, mind and strength to the glorious work to which we are called. Let these Days be a united renewal of the attack on a cloud of darkness which rests over the people.

It is our prayer that we may so devote ourselves to the Lord that we will know his presence, companionship and power to convert. Know that our love is constant. God bless you every one.

President and Sister Owen J. Stevens
